**Re: 2017 Philippine Government Law for Filipino Nationals**

All Filipino Nationals leaving the Philippines to work abroad now require an Overseas Employment Certificate (“OEC”) prior to departing the Philippines, to be arranged with their employer through an accredited agent within the country of arrival.

As the accredited Bermuda agent, **Bermuda Executive Services Ltd** is currently assisting employers in obtaining OEC's for transit and processing of all Filipino nationals entering Bermuda as well as supporting local Bermuda immigration processes.
